

The background of the poster is a light blue, stylized ice or snowflake pattern. In the center is a dark blue, irregularly shaped area with a cracked, icy texture. Several white, detailed snowflake icons are scattered around this central area. The title 'WINTER CHEER CUP' is prominently displayed in the middle of the dark blue area.

CRUCIAL INFORMATION

1. Registration is compulsory and must be completed at least 1.5 hours prior to entering the field. For members of a federation association, athletes are prohibited from entering alongside their teammates and are not permitted to compete without a competition book and a valid competition permit.
2. In the case of a non-federation member association, the athlete is prohibited from competing without an appropriate photo ID for identification and a valid sports medical certificate.
3. Prior to entering the venue, we will perform a face check in front of the team's events. During this process, it is the coaches' responsibility to verify the accuracy of the face check, which they will receive after its completion. For foreign athletes, we will also require proof of identification (ID) during the check.
4. Please comply with the number of coaches and attendants outlined in the competition announcement (**the entry of one coach per club and one assistant registered in advance for every ten competitors is complimentary**); any club wishing to bring more coaches or assistants than permitted must ensure that additional attendants may only enter and obtain their entrance card upon payment of the entrance fee.

COMPETITION NOTIFICATION CRUCIAL INFORMATION

5. If the entry fee is not paid by the deadline, the association may not participate in the competition.
6. No tied scores will be announced for the competition results. If an equal total score is identified, the score sheets will be returned to the judges, who will adjust the points under the supervision of the head judge.
7. We request that the leaders, representatives, coaches, assistants, and competitors of the associations adhere to the directives of the organizing team, and, if applicable, the security team, to the best of their ability to ensure the smooth and timely execution of the competition.
8. We urge the leaders, representatives, and coaches of the associations to prioritize adherence to the specified dates, thereby facilitating the efforts of the competition organizers.
9. Subsequent modifications to the entry are permissible, contingent upon a payment of 1000 HUF per athlete to the competition organizer. These modifications may be made up to 2 days prior to the competition. Within the final 2 days, modifications are not allowed; however, cancellation is permitted, resulting in the affected team being drawn, while the timeline remains unchanged, leaving an open spot.
10. During the announcement of the results, we request that one member of the unit accept the certificate for 4. place in each category.
11. We also announce Open Age categories for the competition, with the criteria and rules outlined in the competition regulations of the Hungarian Cheer Association.
12. An athlete who competes in 2 or more categories accepts the risk that his competition numbers may be close to each other. The director is not obliged to fulfill your requests regarding the timeline, but at the same time, within the limits of practicability, he should help the athletes in good faith in this matter. No claim can be made in this regard.
13. The organizer retains the right to implement modifications.
