Competition Registration and Rules

OPENAGE GROUPS:

Intermediate L2: Ages 7-13 (Born 2019-2012)

All Girl/Coed | Median L3: Ages 9-16 (Born 2017-2009)

All Girl/Coed | Advanced L4: Ages 13-18 (Born 2013-2007)

Registration will be open continuously from 08:30. However, all athletes must complete registration no later than 1.5 hours before their scheduled performance on the competition floor.

Athletes are requested to approach the registration desk in alphabetical order according to the team roster. Competition books must be distributed to the respective athletes before they enter the venue.

Athletes without a competition book, a valid competition licence, and a valid sports medical certificate will NOT be permitted to enter the venue with the rest of their team and will NOT be allowed to compete.

Please ensure compliance with the number of coaches and accompanying persons permitted, as specified in the official competition regulations.

A competition book check (face check) will be carried out before each team's performance, prior to entering the competition floor. This procedure is intended to prevent situations in which a coach registers an athlete for the competition, but a different person ultimately performs on the competition floor. Coaches are responsible for verifying the accuracy of the information in the competition books. The books will be returned to the coaches after the check. In the case of international athletes, valid identification (ID) must also be presented during the check.

If the entry fee is not paid by the specified deadline, the club will not be permitted to participate in the competition.

Tied placements will not be awarded in the final competition results.

Please follow and comply with all requests and instructions issued by the event organisers and, where applicable, the security team.

The organisers reserve the right to make changes to the competition arrangements.
